Major roadwork in the area
 There are major traffic changes in place as part of the South Road Superway construction. Changes include a detour for South Road traffic between Grand Junction Road and Cormack Road and no northbound traffic on South Road north of South Tce.

This map is provided to show the access to **Ceramic World** during this roadwork.

From the north
 To access Ceramic World from the north, take the South Road exit from the Salisbury Hwy then turn left from South Road on to Wing Street. Ceramic World is the first driveway on the left.

From the south
 To access Ceramic World from the south, travel north on South Road following the detour around the Caltex Service Station to Francis Road, right turn to Davis St, right turn to Cormack Road then left turn to rejoin South Road. From South Road turn right on to South Tce, left turn to Aberdeen St and then left turn to Wing Street.

From the east
 To access Ceramic World from the east it is possible to turn right from Cormack Rd to South Road, then turn right to South Tce, left to Aberdeen St and left to Wing St.

From the west
 To access Ceramic World from the west motorists must use Hanson Road to reach South Tce (shown overleaf). It is not possible to join South Road from the Port River Expressway.

Please note, motorists wishing to travel north from Ceramic World can utilise Wing St, Staite St, South Tce and Hanson Rd to reach the Salisbury Highway (shown overleaf).

For more information about this traffic change or any other aspect of the South Road Superway please call the project information line **1300 638 789** or email contactus@urbansuperway.com.au
